Civil Action No. 08-CV-4471 (LAK)

DECLARATION OF TAL BENSCHAR

TAL BENSCHAR declares that:

1. I am a Partner of Kalow & Springut LLP, counsel for plaintiffs in the above action. I make this declaration in support of Plaintiffs' motion for expedited discovery from defendants.

Plaintiffs And The Cartier Business

2. Plaintiff Cartier International, N.V., a Netherlands Antilles corporation, is the owner of all trademarks and trade dress used in the marketing of Cartier watches and jewelry

designs, including the PASHA DE CARTIER Trade Dress at issue herein. These rights are licensed to co-plaintiff, Cartier, division of Richemont N.A., Inc., a Delaware corporation, which operates Cartier stores throughout North America and supplies wholesale accounts with Cartier watches and jewelry. (The two companies are collectively referenced as “Cartier.”)

3. The PASHA DE CARTIER Trade Dress has been registered on the Principal Register of the United States Patent and Trademark Office, Nos. 3,211,038 and 3,211,039 for, respectively, the PASHA DE CARTIER Trade Dress without and with the distinctive bracelet design. Cartier International is the owner of such registrations and the trade dress set forth therein. Such registrations and the trade dress therein are valid and subsisting. (Such registrations are hereinafter referenced as the “PASHA Registrations.”). Copies of the PASHA Registrations are attached hereto as Benschar Declaration Exhibits A and B.

Defendants

4. Defendant Seah LLC (“Seah”), is a Florida company having a place of business in Sunrise, Florida.

5. Defendant SkyMall, Inc. (SkyMall), is a Delaware corporation having a place of business in Phoenix, Arizona. Both Seah and SkyMall are collectively referenced herein as “Defendants.”

6. Defendants have advertised, offered for sale and sold infringing products through the SkyMall magazine and the websites *www.seahzodiacwatches.com* and *www.skymall.com*.

Cartier’s Investigation Of Defendants

7. It recently came to Cartier’s attention that Defendants were offering for sale watches that are confusingly similar to Cartier watches protected under the PASHA DE

CARTIER Registration. Attached as Benschar Declaration Exhibit C are printouts from Defendants' website showing some of these offerings, specifically the "SEAH ZODIAC" design.

8. At my direction, an assistant in our offices ordered one of the Seah watches from SkyMall's website. The item was shipped to his address in the New York, New York. He then brought the item (hereinafter the "Sample Watch") to our office, where it was entered into our firm's evidence system. The watch has been marked as Benschar Declaration Exhibit D; a photostatic copy thereof is attached to the declaration with the same exhibit designation.

Cartier's Need For Expedited Discovery

9. Our firm has prosecuted several actions in this Court with similar fact patterns, *i.e.*, jewelers selling products that infringe Cartier's protected trademarks. From our experience, expedited discovery is important in enabling Plaintiffs to avoid irreparable harm. First, expedited discovery is crucial in uncovering other actors in the distribution chain for the infringing items – including distributors, manufacturers and other commercial dealers in the infringing product. Allowing Cartier to identify these parties quickly will enable Cartier to proceed with legal action against them in the appropriate legal forum.

10. Second, expedited discovery will permit Cartier to prepare for a preliminary injunction motion in this case, should that prove necessary.

Cartier's Need For Immediate Relief

11. For the reasons set forth herein and in the memorandum of law in support of Plaintiffs motions, Plaintiffs are experiencing continuing and irreparable harm from the sale and offering for sale of watches that are confusingly similar to protected Cartier trade dress. Based upon the foregoing, it is respectfully submitted that there are good and sufficient reasons for the

Court to proceed expeditiously by Order to Show Cause for an order for expedited discovery.

12. No previous request has been made for the relief sought herein.

13. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

SEAH - Gift of Time

SEAH is the connection of the universe with time, the past with the present, the zodiac sign with the being, and the being with his or her personality. SEAH reminds us of our inner traits in the form of a timepiece with a story. **Read the amazing 56-page book enclosed with your watch.**

Each detail on the unisex watch relates to nature and the universe. The bezel on the watch represents the infinite waves of the ocean. Each hour symbolizes a heavenly star. In the center of the watch lies the illuminating sun. The hands on the watch represent the powerful rays of the sun. Within each eye lies one bright star. The date is appropriately situated amidst the moon's glow. The sign, which reflects the month that one is born, appears at the watch's summit.

THE SEAH STORY IS TRULY ONE OF A KIND.
